

I'm not robot!

Diwali, the festival of lights and the epitome of victory of good over evil is around the corner. In a few short days, people will be illuminating their homes with lamps and candles to drive out the darkness on the new moon of Diwali night and welcome wellness and prosperity. To add to the festivities of the season, today we have brought for you an awesome collection of free Diwali greeting card templates and backgrounds. All these templates are free for personal and commercial use (with attribution) and are available for download in vector formats (AI and EPS source files). Included in this collection are bright and colorful templates featuring beautiful earthen lamps, fireworks, lights, rangoli, peacock - the national bird of India, and more. Read on to get previews of these Diwali themed vectors and the links to download them.
